Recruitment Initiatives

Internship Program

TDS Broadcasting LLC has a college-level internship program. Five (5) interns have participated in the program during the reporting period. The Creative Services Intern was a student from Central Oregon Community College. This internship provided the student with direct experience script writing, shooting and editing of video commercials, content production and client engagement.

The remaining four internship opportunities were News Production Interns. These interns gained valuable on-the-job experience with video production. Specifically, preparing video segments for news casts, capturing stories and operating both cameras and field equipment.

Two of the five interns were successfully converted to full-time, benefited positions with TDS Broadcasting during the reporting period.

Student Engagement

During the reporting year TDS Broadcasting LLC engaged grade-school and middle-school aged students interested in exploring careers in broadcasting. TDS Broadcasting sponsored a contest for students to create a television commercial for the City of Bend-Clean Water Works Department. Employees of TDS Broadcasting judged the contest and selected a winner to recreate the commercial professionally. The winner was invited onsite to assist hands-on with the production of the commercial. This allowed her to gain experience and insight into the broadcasting industry – utilizing equipment and working with staff to bring her vision to life.

The winner’s original creation:

T-Howard Virtual Meet & Greet

TDS Telecommunications, LLC, and by extension, TDS Broadcasting LLC, has established a partnership with the T. Howard Foundation. T-Howard’s mission is to promote diversity in media and entertainment by increasing the number of diverse and underrepresented groups and underserved communities within the industry. As part of TDS’ partnership with T-Howard, TDS attended a virtual “Meet & Greet” on September 23rd, 2020, for students and alumni of T-Howard to learn more about our organization. The session also included a virtual job fair where four TDS recruiters met with T-Howard candidates via videoconference to discuss employment opportunities. The recruiters specifically discussed available opportunities at TDS Broadcasting, LLC.
